of this study was be to examine
the relationship between safety
and secure index and human
development. The independent
variable was the safety and
security index (S&S) and the
dependent variable was the
human development (HD) Using
these variables, I sought to
answer the following research
question. Thu, 19 Apr 2018

Relationship Management White
Paper - In the study, first we
examine the nature of relationship
marketing. Second we lay out the
framework of competitive
marketing strategy and delineate
the position of relationships.
Third we conceptualize the role
of relationship marketing to
competitive marketing strategy.
Fourth we empirically test the
role of relationship marketing.
